## Local voices talking about wind energy in Michigan

Wind energy is helping Michigan's rural communities thrive. When a community hosts a wind project, everyone who lives there wins. Listen to what landowners and township officials in Huron and Gratiot counties have to say about what it is like to have wind parks in their communities.

## Scientists for a day, lovers of the lakes for life

Getting kids to focus can be tough. Getting them outdoors can be a chore. But tell them their classroom for a day will be on a sailboat on Lake Michigan and odds are good they'll be aboard.

## DTE Energy Breaks Giving Back Records

DTE Energy's Care Force volunteer efforts blanketed Michigan and beyond in August for Month of Caring, and its teams crushed all of the records from last year. Not only did DTE increase its volunteer hours, but the company more than doubled employee engagement.

## DTE team clears a roadside dump in West Michigan for "trees and a pretty little stream"

Few things degrade our public lands more than illegal dumping. But few things are more inspiring than volunteers enduring swarms of bugs, pungent muck, and sweltering heat to clean up eyesores despoiling the environment and threatening public health.
