

Summer Fun with DTE

[Check it out >](#)

Volunteers rise to the occasion

When called upon, they act. DTE employees have answered the call from local communities, businesses and families countless times before. See what they did this time.

Expanding job opportunities to Detroit's youth

How did you spend summer vacations growing up? That time away from school might mean family vacations, BBQs, and beach time for many, but it also means working that first summer job.

A mother's will

A mother always knows. Jennifer Kandy remembers the memory of her newborn daughter's cries – a common sound for new parents to hear – but these cries were different, they were violent.
